Dear Calico Vendor,

Thank you for your interest in joining us for the Calico Arts and Crafts Show. No matter if you've been with us for many years or are a new applicant, we hope to have the opportunity to work with fine artisans and crafters in a multitude of mediums. If you've been with us at Calico before, you know that we work extremely hard to provide a unique opportunity for our vendors and visitors alike. Therefore, I want to highlight a few updates to the way our application process will work in the future and draw attention to a few changes that you may note in the application. In addition, you will notice when you arrive to your next Calico Show, that many overlooked rules will be more strictly enforced. Please read the application, rules and regulations carefully before applying or arriving for your next Calico Show.

A few things to note include:

- Returning **AND** new applicants will be required to submit production, finished product, and set-up photos. No matter how many years you have been a calico vendor, you must submit photos of **ALL** items you intend to sale at the show.
- Notice booth space dimensions listed on the application. While the size of the booths hasn't changed, vendors should be aware of this when planning booth set-up. Exceeding the booth size limitations poses a safety hazard. If you feel you need to alter your set-up or reserve additional space, please plan for this when applying.
- Friday check-in ends promptly at 7:00 pm.
- We will offer a devotion time on Sunday morning. Plan to join us before the gates open if you wish to participate.
- No pets are allowed. Make arrangements for your pets before you leave home.

Again, we appreciate your support of the Calico Arts and Crafts Shows. We look forward to working with each of you while continuing to protect the integrity of the show by closely monitoring the rules and regulations of the show. Please do not hesitate to reach out to me by phone or email if you have any questions. See you in November!
